Administrative Procedure - Prevention, Identification, Investigation, and Response to Bullying and School Violence ¹

The strategic components for integrating an anti-bullying program into the District's existing policies and procedures are listed below. Each component lists specific implementation steps along with resources and accompanying exhibits. The Superintendent or designee, at the District-level, or the Building Principal or designee, at the Building-level, is responsible for the integration of these components. Use the local conditions of the community and other available resources to determine the best implementation methods. At times, support from the School Violence Prevention Team (see 4:170-AP7, *Targeted School Violence Prevention Program*) may be appropriate as bullying and threats of school violence often arise from the same behavior pattern(s), i.e., interpersonal aggression.

¹ A section of the Prevent School Violence Act (PSVA) directed ISBE to create a School Bullying Prevention Task Force to explore and report about all aspects of bullying in Ill. schools. (105 ILCS 5/27-23.9, added by P.A. 96-952 and repealed on 3/2/11). A link to the ISBE Task Force's report is cited above and throughout the exhibits to this procedure.
