She recently attended the Three Rivers meeting where numbers for Girls' Basketball were reported to be down for all surrounding schools. The Cross Country team had a great season with 3 athletes qualifying for State. Those Athletes were Zach Ruwe, Rowan Denmark-Collins, and Lilli Montgomery. All cross country athletes showed huge improvements throughout the season and are very appreciative of all the support they received. The Boys' Basketball season is underway with practices beginning today. As of now there are 18 students out for Boys' Basketball, but those numbers are expected to rise. The first quarter ended Friday, October 12 and parent teacher conferences are set for next week. Fall parties will be held Wednesday, October 31 with a parade at 2:00 pm. Parents will be allowed into the building at 1:45. The Junior High will also hold a dance during the fall party time. The Veterans Day Program has been set for November 9, at 1:00 p.m. This month's PBIS character trait is Patience. Fourth Grade is attending outdoor school this week. Last Friday the building held the Reunification Drill. The drill went very well clearing the building in just 3 minutes. Finally, 7 students from Heritage Junior High auditioned for the IEMA District Chorus. There were over 300 students who auditioned for a spot in the District Chorus and of the 7 that auditioned from Heritage, 5 were chosen. Congratulations to those students.

Mr. Davis reported on the High School Sports and Extracurricular activities. The Marching Band season is has ended. Band Director Justin Lee added that this was a great group to work with this season and he very pleased with their success. The VGH football team has one more regular season game where they will be playing for a chance to make it to a post season play-off game. The Heritage Volleyball team is honoring their Seniors at tonight's volleyball match. The team will host their Pink Night on Thursday, October, 18. Volleyball Regionals begin for Heritage on Tuesday, Oct. 23. Heritage has the number two seed at Regionals. FFA prepared harvest lunches for local farmers last week, the event went well. Next week a few of the FFA members will attend the FFA National Convention in Indianapolis. The 2017-2018 Yearbooks have been handed out and look good this year.

Homecoming 2018 went well. A big Thank You to all sponsors and student council! The Art Department did a wonderful job on the Grand March Decorations. The Parade and dance were both a success, with most students staying for the entire dance. Evan Wilson and Fiona Ely were crowned Queen and King. The Seniors won the Powder Puff football game and the Sophomores won the Macho Volleyball game.

There are 5 or 6 good applicants for the High School Head Cook position. Interviews will begin next week.

This month's High School Student of the Month is Cole White class of 2022. The monthly Breakfast Club will be held Friday, October 19.

Parent Teacher Conferences will take place at both buildings October 22-25.

Both the Villa Grove Board and Heritage Board will meet to discuss the renewal of the Coop Contract. The meeting will tentatively be held Monday, October 29, 7:00 p.m. at the Broadlands building. The Meeting date will be pending the Villa Grove Board schedules.

The ROE distributed a report on the 1% County Sales Tax which reviews the distribution of 1% funds over the years. Heritage CUSD 8 numbers stayed the same over the last 2 years with a slight raise (\$1,000) in funds received.

The summer 2019 maintenance list is under review. The following items are considered for repair/updates: Homer Gymnasium roof, Homer Locker room, Homer Parking Lot/bus circle re-paving and lighting like at the HS, Homer main office remodel, Homer student lockers in hallways, Homer track upgrade requested by coach, Broadlands parking re-paving, Broadlands main gym air conditioning, Broadlands main office entry remodel, Broadlands main gym scoreboard, and Broadlands softball fencing additional work requested by coach. Some of the repairs/updates could be funded by the 1% sales tax. The new boilers are leaking some, however, they should be repaired this week. Otherwise the heat is working well.

Board members Kimberly Ashbrook and Robert Fitzgerald attended the IASB September meeting. Kimberly provided board members with materials from the session she attended on SB100. Board members Robert Fitzgerald, Courtney Montgomery, and John Lannon all received the Master Board Member reward.

In transportation it was reported that some busses have been paid off. With the funds that been freed up from these payoffs, the school may need to consider the purchase of another activity van.

In other business it was discussed that it is becoming more difficult to get volunteers to supervise Saturday School. Something to consider in the future would be to raise the pay for those supervising. Health Insurance rates were discussed. It was mentioned that our rate of usage has stayed the same, however, the consortium as a whole has suffered from large claims over the last 2 years. As a result, the insurance rates will most likely raise 12-15%. Illinois Principals week is October 21-27. Finally, Robert Fitzgerald will serve as Delegate during the IASB Board Convention held in November.

Motion by Elmore, second by Tate to adjourn the meeting (No Executive Session needed). With all members in agreement, the meeting adjourned at 8:12 pm.

Heritage Community Unit District No. 8

Regular Board of Education Meeting
Band Room – Homer Building
September 17, 2018 – 7:00 p.m.

The Board of Education of Heritage Community Unit School District No. 8 met on Monday, September 17, 2018 at 7:00 p.m. for a regular meeting. President Lannon called the meeting to order at 7:02 p.m. Members in attendance: Ashbrook, Lannon, Montgomery, Tate.

Shawna Meneely presented a petition, signed by some Allerton Residents, to add a second School Bus Stop back in Allerton. The main reason given for the second stop is that some children now have to walk 7 blocks to the current bus stop. Participants signing the petition would like to have a second stop added back closer to the post office. Mr. Davis pointed out that the bus stop near the post office was discontinued due to behavioral problems and adding a bus stop back at that location was not an option. The US Postal Service made the request in Longview and Allerton and the district responded by moving the stops.

Josclyn Mohr presented on the High School to Work Initiative. Based on data drawn from past SAT and PSAT testing, 20% of students at Heritage are ready to proceed with College, while over 50% are ready for the work force. This program focuses on preparing those kids for some sort of trade school or apprenticeship. Currently, there are 2 students in the program. Both students were required to prepare a resume, interview, and train for the positions they acquired. The students need to work 15-18 hours a week to remain in the program. The success of the program depends largely on the level of commitment displayed by the students as well as parent involvement. Mrs. Mohr would like to see more Juniors and Seniors taking part in this program over the next few years.

Kristi Sanders reported that Girls Junior High Basketball season began with a win over Danville Schlarman. The Cross Country team is doing quite well with many kids reaching new Personal Records. The new science curriculum is in place and seems to be going well. Mid Terms were Friday, teachers have been working with the parents to keep them updated on student progress. The PTC is currently holding their fall fundraiser. Students are selling Little Caesar Pizza kits and Cookie Dough. The PTC also held a glow dance on Saturday Night that Mrs. Sanders attended. She reported the dance was a success and fun was had by all. The Eighth Grade class is working on their annual fundraiser of selling Fannie May Candy. The PBIS focus trait for September is Kindness. Mrs. Sanders has been holding lessons on kindness during morning assembly.

Mr. Davis reported that the first run through of all emergency drills in both buildings went well. He is working with Officer Franzen to schedule the Annual Intruder Emergency Drill. In sports, the Volleyball team is having a successful season and is currently rated no. 10 in the News Gazette. The Football team is 2-2 right now and performing well. Villa Grove Board has requested a meeting with our Board to begin discussions regarding the COOP. There has been a student request for a gaming club. The High School will be holding a trash pick-up day on Wednesday. Friday, October 12 will be an early dismissal day due to the homecoming parade in Villa Grove.

The annual financial audit presentation should be given by Russ Leigh and Associates at the next board meeting.

At the Homer TIF Meeting, held in September, Mr. Davis presented and discussed the projects the school has been completing with the 1% sales tax.

Heritage School is still due over \$600,000 from Illinois Evidence Based Funding. Mr. Davis expects that we should break even this year.

There will be a parent and technology committee meeting scheduled during the first quarter. The Lunch Box program will be coming soon for the High School.

Maintenance will be installing more cabinets over the winter break. The boiler project should be finished next week. The new score board on the football field should be up this week possibly. The baseball and softball fences are done. Maintenance will review what needs to be done next summer in the Homer building.

The school earned \$124 and 6 Soccer Balls from the sales of the Kona Ice truck during the open house. Our PTC is looking to do a fall dance in September. More information will be available as the event is planned.

Tom Davis reported that he tried something new this year with the posting of his welcome speech to the students on Twitter and Facebook. This was done in an effort to get more information to our parents and community members. Class officer elections have been held and fund raising ideas discussed. The new bell system is working well, however, the PA system suffered some electrical damage during a recent storm. The estimated repair is \$1,300.00.

Mr. Davis also reported that a letter had been sent from the Allerton Post Office to Allerton residents regarding the behavior of students at the bus stop. Mr. Davis shared that he had some concerns with the content and accuracy of some claims. After a lengthy discussion, it was decided the bus stop should be moved to the park.

At this time, the projected enrollment for the 2018-2019 school year looks to remain the same as last year over all.

Student handbook policy changes have been updated at both schools. The changes include clarification of parking lot rules at the High School along with a more specific cell phone policy and new requirement to store back packs in the lockers throughout the school day. At the Junior High changes were made to the detention policy.

The Blue and Gold scrimmage night held at Villa Grove for Fall Sports went well. This year's VGH football team has 51 athletes with 23 from Heritage. The team will start their season this Friday, August 24, at home against Tuscola. Participation is lacking at both schools in Cross Country and Golf. We do not have any Heritage athletes participating in either sport this season. Discussions with Villa Grove regarding the new Coop contract renewal are expected to begin soon. Our Heritage Volleyball team will open their season Thursday, August 23, 2018, at home against Salt Fork. The volleyball team has 18 athletes this season.

The annual Financial Audit took place July 25-July 27. The Audit went well as Heritage was found to be compliant with GATA. An official report will be given once it is received from the Accounting Firm.

Maintenance reported Reliable has successfully removed the old boilers and are working on installing the new ones. There should not be any disruption to class time while the new boilers are being installed. Recent power outages in Broadlands, due to strong storms, caused some systems to fail at the

High School. Most of the problems have been fixed. Tom Wolf thanked all the custodians and maintenance help for their tremendous support and help during his first few months here.

The posting for a new cook in Broadlands has not gone up yet. The Superintendent is waiting to receive an official exit date from the current cook, Peggy Vogel. Once that date is known the position will be posted with an expected hire in November.

The FY18 transportation report has been submitted. Mileage was up slightly from FY17.

All board members are invited to attend the IASB Fall Division Dinner on Tuesday, September 25 at St. Joseph CCSD 169. The agenda will include sessions on the SB100 and Every Student Succeed act.

In other business the board had previously requested having monthly presentations from teachers. This was something they have done in the past and the board enjoyed hearing about the teacher's classroom projects. The Superintendent reported this would begin again at the next board meeting.

Motion by Asbbrook, second by Benschneider to go into executive session to discuss the appointment, employment, compensation, discipline, performance, or dismissal of specific employees of the public body or legal counsel for the public body, including hearing testimony on a complaint lodged against an employee of the public body or against legal counsel for the public body to determine its validity 5 ILCS 120/2(C)(1) and to discuss student discipline. Motion carried by unanimous roll call vote, 7 Ayes.

Motion by Elmore, second by Tate to return to open session at 8:55 pm. Motion by Elmore, second by Tate to adjourn the meeting. With all members in agreement, the meeting adjourned at 8:56 pm.

Heritage Community Unit District No. 8
Regular Board of Education Meeting
Library – Homer Building
July 16, 2018 – 7:00 p.m.

The Board of Education of Heritage Community Unit School District No. 8 met on Monday, July 16, 2018 at 7:00 p.m. for a regular meeting. President Lannon called the meeting to order at 7:00 p.m. Members in attendance: Ashbrook, Benschneider, Elmore, Fitzgerald, Lannon, and Montgomery. Tate absent.

Also in attendance: Justin Lee, Tom Wolf, Ron Bergmeier, Alan Sorensen, Heather Soder, Jill Miller, Joe Bear, Tiffany Paul, Tom Davis, Kristi Sanders, Laura Benschneider.

Joe Bear, Jill Miller, and Tiffany Paul all spoke in favor of continuing with the 8th grade promotion. Citing, among many reasons, the promotion gives the students a chance to be recognized for their achievements and allows for an opportunity to show the school off the community.

HEA expressed appreciation for Tom Davis's prompt resolution of an issue.

Motion by Ashbrook, second by Elmore to approve the minutes of June 18, 2018. Motion carried by unanimous roll call vote, 6 Ayes.

Motion by Montgomery, second by Benschneider to approve the bills, including the supplemental bills as presented. Motion carried by unanimous roll call vote, 6 Ayes.

Motion by Lannon, second by Fitzgerald to approve the remaining financial reports as presented.
Motion carried by unanimous roll call vote, 6 Ayes.

Dr. John Jones has agreed to return as High School Spanish teacher long-term substitute pending outcome of ongoing search for full-time person to fill the position. No action needed. Peggy Vogel has announced her intention to retire during the school year, no formal action needed at this time. JH Girls basketball was also discussed, action pending at the August meeting.

Motion by Elmore, second by Montgomery to approve the Prevailing Wage in Champaign County (Last Update May 24, 2018) for contracted services as delineated at Illinois Department of Labor site as of July 10, 2018. Motion carried by unanimous roll call vote, 6 Ayes.

Motion by Lannon, second by Fitzgerald to approve Deana Wolf and Tom Davis as Freedom of Information Officer for Heritage CUSD #8 for dissemination of requested information for the 2018-2019 school year. Motion carried by unanimous roll call vote, 6 Ayes.

Motion by Ahsbrook, second by Elmore to approve the final reading of the board policies issued within the May/June 2018 PRESS issue #98 as listed including 5-year review of policies listed. Motion carried by unanimous roll call vote, 6 Ayes. Discussion was held regarding some policies and the impact they may have on our district.

Motion by Elmore, second by Fitzgerald to approve the administrative contract length for Tom Davis, Superintendent/HS Principal/Tech Coordinator and Kristi Sanders K-8 Principal adding a third year (2020-2021) to the contract. Motion carried by unanimous roll call vote, 6 Ayes.

Kristi Sanders thanked those who spoke during recognition of the public regarding the 8th grade promotion. Mrs. Sanders stated the students lack enthusiasm for the promotion and seem to value the end of year trip more. She also added the cost of promotion is an issue. After discussion by board members, it was decided to continue with the 8th grade promotion.

Tom Davis reported the High School lockers have been installed and look nice. Both Girls Basketball and Boys Basketball had successful summer seasons and Football is going well. Corey White was erroneously reported in the News Gazette as not returning as Head Basketball Coach for the 2018-2019 school year. The News Gazette printed a nice retraction correcting the error. Finally, Heritage High School student and athlete Gracyn Allen has been awarded Champaign County Fair Queen 2018. Congratulations to Gracyn.

Preliminary SAT scores are down overall from last year with a 2 point deficit to the average. Mr. Davis is concerned with these results, but hopes for a better comparison once all scores are released. The high scores stayed in that range. SAT and PSAT will again be funded by the state of Illinois for the next school year. PARCC scores from last years Junior High and Elementary grades were up.

Registration dates are set for August 1 and 2 at the Homer building. The Heritage website has updated documents, calendars and sports/activities schedules. Some fees for 2018-2019 school year are still under review with lunch prices going up according to the ISBE PLC Tool, but most fees will stay the same.

Russ Leigh and Associates will conduct the annual financial audit July 25-27. FY2018 accounts are being closed as of June 30, 2018. The board had the opportunity to review the preliminary year end balances which showed an increase to the education fund. This could most likely be contributed to the 1% sales tax and the election year. The transportation fund also looks to be in good shape. Once the year end balances have been completed, Tom will supply a comparison report to the board. The 1:1 ratio of students to computers was discussed. Two new chrome carts have been purchased.

Maintenance reported the cabinets have all been installed. The classrooms are all completed and special thanks was given to Tom, Dick, and Al for the wonderful job they did. New sidewalk and lights should be completed at the Broadlands building before the start of the school year. Reliable has inspected the boilers in the Homer building and reports the boiler located in the central mechanic room will need to be replaced. The boiler in the West mechanic room will need repairs. The bid from Reliable to replace and repair the boilers is \$62,800. Repairs should be started next week. Looking ahead to next year it was discussed that the parking lots at both buildings will need repaired as well as the roof at the Homer building.

All board members plan to attend the school board convention in November.

Next month the preliminary budget for FY19 as well as the transportation report update for the FY18 will be discussed once the audit is complete. Food/Milk/Bread bids are all still coming in, action to be completed on bid results at August meeting. Tom Davis, Kristi Sanders, Corey White, and Jason Conn will all meet to discuss any further changes to the handbook.

Kimberly Ashbrook attended the Rural Special Education Committee Meeting. At the meeting the 2018 Amended Budget and the 2019 Budget was approved. It was also discussed that there is difficulty in hiring school Psychologist and Social Workers in the area.

In other business Mr. Lee reported the High School Marching Band will preview their program "Metal Madness" on Saturday, August 4 at the High School.

Motion by Benschneider, second by Elmore to go into executive session to discuss the appointment, employment, compensation, discipline, performance, or dismissal of specific employees of the public body or legal counsel for the public body, including hearing testimony on a complaint lodged against an employee of the public body or against legal counsel for the public body to determine its validity 5 ILCS 120/2(C)(1). Motion carried by unanimous roll call vote, 6 Ayes.

Motion by Fitzgerald, second by Elmore to return to open session at 9:31pm. Motion by Benschneider, second by Elmore to adjourn the meeting. With all members in agreement, the meeting adjourned at 9:32pm.

Upgraded Safety Radios have been ordered for the High School building.

Kristi Sanders requested that the Board consider discontinuing the practice of holding 8th Grade Promotion. She attended the annual 8th Grade trip and remarked that it was a great time for the students and feels the emphasis should be on the students enjoying their last trip together rather than making the focus on an old practice of the 8th Grade Promotion. Too many parents are concerned whether or not their child is “walking” in the 8th Grade Promotion. Board members discussed this at length and shared many thoughts. Some feel the students have worked hard and should be recognized during a Promotion Ceremony. Others feel it is an old practice dating from when some students would not go on to or finish high school. That is not the case anymore and some feel this practice should be discontinued. Mrs. Sanders feels the past is the past and an 8th grade graduation/promotion is no longer valuable. The Board will continue this discussion at their regular July 16, 2018 meeting. They hope district parents and residents will weigh in.

The District’s annual financial audit will be July 25, 26 and 27 2018.

With the approval of the Board, Heritage’s JH Cross Country team will be presented to the Three Rivers Conference and the IESA for approval.

The new pension law limiting increases in pay to no more than 3% will effect teachers in their last 10 years of work before retirement. The IEA, IFT, IAP and IASB are working on

Questions and Answers documents to answer questions many have. This could also be reversed depending on the next election.

Speech services agreements with Language of Learning Therapy Services and PrairieWinds Speech Therapy have been renewed for the 2018-19 school year. Pam Tate of Language of Learning Therapy Services will also assist with RtI and Title programs.

The Rural Champaign County Special Education Cooperative reports that Spectrum has been fully funded for the 2018-19 school year.

The District has received quotes for 2018-19 insurance coverages. Overall insurance premiums will increase about 10% over last year.

The District is in compliance with Statements of Economic Interests requirements.

In a maintenance update it was reported that new LED lights have been installed in some classrooms and it has greatly improved lighting. Heritage Community Unit District No. 8
Regular Board of Education Meeting
Band Room – Homer Building
April 16, 2018 – 7:00 p.m.

The Board of Education of Heritage Community Unit School District No. 8 met on Monday, April 16, 2018 at 7:00 for a Regular Meeting. President Lannon called the meeting to order at 7:00 p.m. Members in attendance: Ashbrook, Benschneider, Elmore, Fitzgerald, Lannon, Montgomery, and Tate.

Also in attendance: Patti Knott, Tom Wolf, Tom Davis, Kristi Sanders, Deana Wolf.

No addition or deletion to original agenda.

Patti Knott gave the Board an update on opportunities for our high school students including First Year Experience. This program offers a look into what the first year of college will bring them. Speech was offered this year to our high school students. This program was made available through EIU. Psych/Soc was offered in a cooperation with Villa Grove through Parkland. ECCA was offered through Education for Employment System #330 and Parkland. The district and students split the cost on programs such as computers, CAN, EMT and mechanics. Next year Brooke Mohr will be offering an Animal & Plant Science for Ag students. A Math course will be offered to seniors that when passed will allow students to bypass the math placement exam at Parkland. An online STEM course will be offered next year. Mr. March will oversee this course. 51 students took the SAT this year.

Mrs. Knott also updated the Board on the annual Academic Honor's Banquet. Attendance at the banquet has been increasing over the years and it has become more difficult to serve a quality meal to the growing number of attendees. In the past all invited high school students and their guests were welcome to attend the dinner before the Honors Program. Mrs. Knott suggests gradually stepping the dinner invitations back to invited Junior and Senior students and their guests. This year's dinner would include Sophomores, Juniors and Seniors and guests. The 2019 Honors Banquet would include Juniors and Seniors and guests. The Board approved making this change.

Motion by Benschneider, second by Fitzgerald to approve the minutes of March 19, 2018. Motion carried by unanimous roll call vote. 7 Ayes.

Motion Ashbrook, second by Elmore to approve the bills, including the supplemental bills, as presented. Motion carried by unanimous roll call vote. 7 Ayes.

Motion by Tate, second by Ashbrook to approve the remaining financial reports as presented. Motion carried by unanimous roll call vote. 7 Ayes.

Mrs. Sanders reported that JH Scholastic Bowl's last meet was tonight, Track has had numerous rain outs. Regionals are the first week in May. PARCC testing is complete. We're excited about the new Science curriculum. The Annual Book Fair on March 22 went well bringing in over \$3,000. Deb Wascher took over with the absence of Amy Courson. PBIS Spring celebration is coming up. Julia Galaway and her Art Club held a Glaze Night which went well. There was also a Craft Night held at the Elementary / Junior High building. RIF is scheduled for April 18 and the annual PTC sponsored Fun Day is scheduled for May 31. This is the last day of student attendance. The March 23 Ensemble Contest was phenomenal.

The FFA Banquet was Sunday, April 8. Pat Colin from Monsanto attended. Mr. Kerns who retired from Heritage in 2017 as Ag Teacher and FFA Sponsor also attended.

Baseball has a record of over 500 at this time. The Softball season is going well in their rebuilding year. The VGH High School Track Coach Joe Stokowski has resigned. Lori Archer has worked very hard this Spring with the number of rain-outs and even games canceled by snow and cold weather.

Kyler Rothermel is Heritage High School Student of the Month.

Mr. Lee shared a 3 minute ballad video which his band performed in competition.

Current employment opportunities in the district include a special education teaching position and high school Spanish teacher.

In an update on Evidence Based Model Funding and Adequacy Rating Update it was noted that while additional funding is flowing at this time its continuation remains uncertain.

The Public School Calendar for 2018-19 has been presented to the Regional Office of Education for its approval. The Heritage Education Association was surveyed and an open meeting of the HEA was held to get a consensus as to what the unions wishes were. Justin Lee shared these directives with the district leadership. One suggested change was to move the Fall Parent/Teacher Conferences later into September in order to have more instruction time before the conferences to assess student's needs. The HEA is to get the proposed calendar out to its membership prior to the May Board of Education meeting. It was indicated that this would be done my Monday, April 23.

The District is awaiting report from the Champaign County Clerk's office on the district's Tax Extension Report.

In a maintenance report it was noted that extensive work has been done on the Homer building sewer line. The cost of the repair is approximately \$36,887. We are still waiting on bids for roof replacement on the Homer concession stand. Cabinets have been ordered for installation into classrooms. We are awaiting the next stage in the lighting upgrade program. The district has been contacted by Comcast regarding the siting of a cell tower on district property. Mr. Tate inquired about the current status of the district's mower fleet.

An IASB Governing meeting is coming up. Ashbrook is planning to attend along with Mr. Davis.

The board discussed JH Baseball. They feel it is too costly for the number of players and scheduling is difficult.

Motion by Benschneider, second by Montgomery to go into executive session at 8:43 p.m. to discuss the appointment, employment, compensation, discipline, performance, or dismissal of specific employees of the public body or legal counsel for the public body, including hearing testimony on a complaint lodged against an employee of the public body or against legal counsel for the public body to determine its validity. 5 ILCS 120/2(c)(1) Motion carried by roll call vote. 7 Ayes.

Heritage Community Unit District No. 8
Regular Board of Education Meeting
Band Room – Homer Building
March 19, 2018 – 7:00 p.m.

The Board of Education of Heritage Community Unit School District No. 8 met on Monday, March 19, 2018 at 7:00 for a Regular Meeting. President Lannon called the meeting to order at 7:00 p.m. Members in attendance: Ashbrook, Benschneider, Elmore, Fitzgerald, Lannon, Montgomery, and Tate.

Also in attendance: Corey White, Shawn White, Ashley Reinhart, David Reinhart, Deb Wascher, Jill Weathers, Jessica Raasch, Scott Latham, Jesse McConaha, Tom Wolf, Alan Sorensen, Tom Davis, Kristi Sanders, Deana Wolf.

No addition or deletion to original agenda.

Shawn White asked the board to consider bringing back Junior High Baseball for the 2018-19 season. The Homer Youth League has 11 players signed up for the 2018 Summer season with 14 players projected for the 2019 Summer season and believe they would have the number of players needed to support the school sponsored team. She also asked the board to take a look at the concession stand roof and stairs to announcer's box. Both are aged and need replaced. 1% sales tax funding could be used for these projects.

Members of the public addressed the Board with concerns regarding recent security scares. They are concerned for students who are anxious about students who have reputations of making others fearful and what is done in the event of repeat offenses. Administration commented that while specific cases could not be discussed, when a student has caused a security concern, the student's parents are contacted and other steps available could be detentions, in-school suspension, suspension, expulsion and/or restorative justice. The public representatives would like to know what resources are available and what are the expectations the public can anticipate when such events arise. President Lannon commented that this is an ongoing conversation within the Board regarding student and staff/faculty safety and security. Access to buildings has been limited, doors and windows have been added and/or replaced to provide more security. Faculty and staff have received training in ways to handle such situations. Such steps will continue as new resources are developed.

In an HEA report it was noted that 2018-19 dates will be circulated and Association members will be asked for their input.

In a curriculum update it was noted that there will be a Science presentation for teachers on April 3rd. The Book Fair will be March 22 from 5 – 7 pm. The Spring PBIS celebration will be March 23. The High School Art Club will be having a Glaze Night selling mugs they have made and participants may personalize them, have them fired and the mugs will be returned to them. 8th Grade Promotion is scheduled for Thursday, May 24 with the 8th Grade trip preceding promotion by one day on May 23. (6) The setting of a price for sale or lease of property owned by the public body.

(7) The sale or purchase of securities, investments, or investment contracts. This exception shall not apply to the investment of assets or income of funds deposited into the Illinois Prepaid Tuition Trust Fund.

(9) Student disciplinary cases.

(10) The placement of individual students in special education programs and other matters relating to individual students.

(11) Litigation, when an action against, affecting or on behalf of the particular public body has been filed and is pending before a court or administrative tribunal, or when the public body finds that an action is probable or imminent, in which case the basis for the finding shall be recorded and entered into the minutes of the closed meeting.

(12) The establishment of reserves or settlement of claims as provided in the Local Governmental and Governmental Employees Tort Immunity Act, if otherwise the disposition of a claim or potential claim might be prejudiced, or the review or discussion of claims, loss or risk management information, records, data, advice or communications from or with respect to any insurer of the public body or any intergovernmental risk management
